

Wellthy can help US-based employees with loved ones in India

Wellthy's Care Coordinators speak the native languages and have a keen understanding of local norms and healthcare systems. They can support you and your loved ones with tasks like:

Aging

- ✓ Finding the right in-home aide or companion
- ✓ Recommending local socialization programs
- ✓ Setting up in-home modifications, meal delivery, and transportation
- ✓ Helping a family find the right legal resources
- ✓ Navigating pensions schemes, PM-JAY, Ex-Servicemen benefits, and more

Veteran's Benefits

- ✓ Helping Ex-Servicemen and caregivers gain access to benefits and providers
- ✓ Navigating benefits and coverage offered through the Department of Ex-Servicemen Welfare (DESW)
- ✓ Helping with an Ex-Servicemen financial benefit application
- ✓ Finding the right emotional support programs

Special Needs

- ✓ Managing and sourcing aides and therapists
- ✓ Navigating state and employer-sponsored benefits and coverage
- ✓ Assisting with school decisions and transitions of care
- ✓ Tracking down insurance approvals

Mental Health

- ✓ Finding the right provider or in-patient/out-patient program
- ✓ Navigating provider options, whether private pay or those in your insurance network
- ✓ Exploring alternative therapy options
- ✓ Ongoing check-ins and support

Financial Support

- ✓ Advocating on appeals, bills, and financial aid
- ✓ Exploring community-based resources and programs
- ✓ Helping with a benefit or schemes application
- ✓ Finding alternative payment options, medication discounts, and schemes

Health Conditions

- ✓ Finding providers, scheduling appointments, contesting insurance bills
- ✓ Navigating alternative treatment, clinical trials, and top research centers
- ✓ Handling the transfer of medical records and tracking down referrals
- ✓ Sourcing support groups and therapists
